

There are two formats for conducting a CPO® certification course: the two-day classroom course and the blended training course, which is a combination of the Pool Operator Primer™ and Pool Operator Fusion™. The following table outlines the two formats:

	Prerequisites	Time Requirement	Certification/Completion Requirement
Full 2-Day Classroom Course	None	14-16 hours	Minimum 75% score on the CPO® certification exam
Pool Operator Fusion™ (1-Day Classroom Course)	Pool Operator Primer™	8 hours of classroom (2 nd Day of Standard 2-Day Class)	Minimum 75% score on the CPO® certification exam

RECERTIFICATION POLICY

A person may renew their CPO® certification by one of the following methods:

	Prerequisites	Time Requirement	Certification/Completion Requirement
Full 2-Day Classroom Course	None	14-16 hours	Minimum 75% score on the CPO® certification exam
1-day Review (Classroom Course)	Current CPO® certification	8 hours	Minimum 75% score on the CPO® certification exam
Exam Only	Current CPO® certification + Pool Operator Primer™	Time needed to complete certification exam	Minimum 75% score on the CPO® certification exam
